Speakers & Division Leaders

Dr. Dick Stenbakken served as a pastor in Wyoming, then 23 years as an active-duty Army Chaplain, including service at the Pentagon, followed by 13 years at the General Conference of Seventh-day Adventists. He has been studying and gathering first-century Roman artifacts for 30 years. He has presented 7 Pentagon Prayer Breakfasts, and 7 presentations at the U. S. Senate Bible Study events.

Ardis Stenbakken retired the end of 2004 as director of the Women's Ministries Department at the General Conference of Seventh-day Adventists. She and her husband live in Loveland, Colorado, where she serves in several capacities in the Campion Church. Ardis was responsible for providing leadership for Women's Ministries around the world for ten years; she acted as a liaison for women in the church, promoting spiritual growth and training for outreach ministry and nurture. She was a member of dozens of General Conference committees, including the General Conference Executive Committee.

Rocky Mountain Conference President Mic Thurber is known for his support of the church's ministry and a preacher of Jesus and His grace. Along with his wife Jana, Mic has served as pastor of the Keene, Texas church, ministerial director for the Southeastern California Conference, pastor at Pacific Union College church and Calimesa Adventist church in California. Combined with His passion for God's Word and music, Mic is also known as a gifted photographer and computer geek who enjoys writing software programs. Yet Mic's greatest desire is to lead others to know the Jesus He loves and serves.

Rocky Mountain Conference Vice President for Administration Doug English has previously served as a Trust Services Director here and in another conference. He was a pastor for 25 years, after serving as a teacher in Adventist schools at both the elementary and academy levels. He is married to Susan and they have two grown children but his travel schedule unfortunately prevents him from owning a dog at this time.

Rocky Mountain Conference Ministerial Director Micky Mallory is happily married to his wife, Tamara, and blessed to have two adult children who live in TN along with their spouses. He is also blessed to have a grandson and another one on the way. Among the many passions that Pastor Mickey possesses, he is especially passionate about developing leaders for Christ.

Speakers & Division Leaders

Steve Nelson serves as a pastor in the most beautiful place on earth, Wyoming. Steve and his wife Samantha have focused their ministry toward helping hurting people find hope and healing through the transforming power of Jesus. Steve's interests range from a deep love for animals, travel, graphic design, music and photography, yet his greatest desire is for others to know the amazing love of a God he lives to serve.

Pastor Jeff Pike was born and raised in Casper, WY, and will always feel like Wyoming is his home. He graduated from Union College in 2020 and has been blessed to serve as a pastor in the southwest district of the state. He loves spending time in the outdoors and playing music, and he hopes to uplift Christ and the good news of salvation in his ministry.

Pastor Mike Taylor knows that he is a "victim of prayer". A devout atheist through his childhood and most of his teenage years, Mike had a series of life-changing encounters with God as He worked through a faithful woman to reveal Jesus's love for him. Mike gave his heart to Jesus in 2004, married that faithful woman (Anndrea) in 2005, and together they dedicated their lives to helping others see Jesus ever since. The Taylors, including their 5 children and several pets, are blessed to now call Casper home and to especially work with children and youth for the Gospel.

Traci Pike was born and raised in Casper, Wyoming. She has been a lifelong member of the Casper Adventist Church. She has been a teacher at Mountain Road Christian Academy for the last nine years and has a passion for teaching children about being friends with Jesus.

Danniella Boling is a devoted wife and loving mother who enjoys gardening, cooking, traveling and has a passion for teaching children to love and know Jesus. Danniella has taught Cradle Roll at Wyoming Camp Meeting for many years and loves traveling across country to be with us each Summer!

Wyoming Camp Meeting – July 16-20, 2024

Welcome to Wyoming Camp Meeting!

We are so glad you've chosen to join us on Casper Mountain for a wonderful time of learning, fellowship, food and—best of all—inspirational messages! We strive to bring you presenters, teachers and chefs who are filled with the Holy Spirit to help you be refreshed and renewed spiritually, emotionally and physically.

In order to make camp meeting more successful for all, we've included some items in this packet for you to review and act on accordingly. Aside from this welcome letter, you will find the registration form, a map of Mills Spring Ranch, and important contact numbers for your stay during camp meeting.

One important requirement for camp meetings is that you must **REGISTER in ADVANCE**. While this may seem unnecessary to some, it has become quite necessary for our chefs who need to know how much food to buy and prepare. Of course, there will still be some last-minute registrations and we understand that and our chefs are prepared to add a percentage above the advance registrations. However, having as close an estimate as possible from the start will be greatly helpful to them. Thank you so much for your understanding and cooperation.

If you have any questions, please contact us according to your need as outlined in the list below.

God bless you and we look forward to seeing you at camp meeting!

Wyoming Camp Meeting Dog Guidelines

1. Aggressive dogs of any breed are not welcome at Wyoming Camp Meeting. If your dog shows behavior that is protective and unfriendly to strangers, please leave it home. If you decide to bring your dog and it exhibits this type of behavior the owner or management of the Mills Spring Ranch or Wyoming Camp Meeting will ask you to please find other camping accommodations.
2. All dogs are required to be under the control and visual observation of their owner at all times. A 6' (six foot) leash rule is in effect whenever the animal is outside the owner's camping trailer, vehicle, cabin, or motorhome. No dog should be left tied up and unattended outside the owner's camping equipment.
3. Allowing your pet to bark uncontrollably day or night will not be permitted and you may be asked to leave if you are not able to control your pet's barking behavior.
4. Service dogs of any breed are welcome. However, these animals must follow leash restraint policies and may not exhibit aggressive behavior.
5. Dogs must be picked up after.
6. Dogs are not allowed in any of the self-contained cabins but are welcome in all other cabins.
7. No dogs allowed in the main building and auditorium. You are more than welcome to bring your dogs and sit outside the auditorium to listen to the meeting.

We hope this will help with everyone's enjoyment of camp meeting. Let's be considerate of others and follow these guidelines. **Thank you for following these guidelines.**
